Ann Tomlinson, Chair of the Travel Grant Committee, announced that 8 grants were awarded for assistance in attending the 1996 SAIR Conference. Each award consisted of $250 plus waiver of the conference registration fee. 4. Future Conference Sites

Doris Wright, Local Arrangements Chair, announced plans for the 1997 conference in Hot Springs, Arkansas, October 11-14, 1997. The 45 minute ride from the airport to the hotel is a pleasant and scenic shuttle ride. The web site will be continually updated and will include specific transportation arrangements. The Special Event will be great, although it will not be on a battleship. October Fest will be ending on Saturday, October 11, so everyone is encouraged to come early to enjoy the festivities.

Pat Dewitt, reported from the site visit that she, Deb Barshafsky, and Mike Moore made to Savannah, which is the site for the 1998 conference. Savannah is among America’s top 10 “walking cities” and is characterized by its historic homes and garden squares. Places to shop and dine are easily accessed by walking or riding the trolley. The conference hotel is centrally located and is only 10 miles from the airport.

Debbie Dailey mentioned sites that are under consideration for future years, including "somewhere in Texas" for 1999, and Charlotte in 2000.

5. SAIR/IHE Agreement

The agreement has been continued and Larry Jones, SAIR/IHE Liaison, expressed pleasure with the opportunity for IHE to work with SAIR. The SAIR Mail list will be updated from the registration materials. Contact sair@uga.cc.uga.edu if you have changes in your directory information.
